

## **Studies into the Utilization of Pig Manure for Aquaculture in Central Vietnam**

Nguyen Duy Quynh Tram  
*Hue University of Agriculture and Forestry,  
Hue City, Vietnam*

### **Acknowledgements**

I wish to express my gratitude to the following organizations and individuals:

I am grateful to the Swedish International Development Co-operation Agency, Department for Research Cooperation (Sida-SAREC) for the financial support of this thesis research.

I would like to express my deepest gratitude to my supervisors Assoc. Prof. Dr. Brian Ogle, Director of the 'Regional-SAREC MEKARN Sustainable Livestock Production Systems' project and Assoc. Prof. Dr. Le Duc Ngoan, Dean of the Faculty of Animal Science, HUAF for their encouragement, invaluable suggestions and useful guidance to me during my study and their reading, correcting and follow-up of this thesis to full completion.

I am deeply indebted to the Department of Animal Nutrition and Management, Swedish University of Agricultural Sciences for helping to organize and administer the MSc. Program "Tropical Livestock Systems".

I would like to express my appreciation to the MEKARN Steering Committee: Dr. T.R Preston, Associate Prof. Dr. Brian Ogle, Prof. Dr. Metha Wanapat, Prof. Dr. Luu Trong Hieu, Prof. Dr. Le Viet Ly, Dr. Bounthong Bouahom and Dr. Chhum Phith Loan for accepting me to participate in the MSc. programme.

I wish to express thanks to Associate Prof. Dr. Inger Ledin, Department of Animal Nutrition and management, Swedish University of Agriculture Sciences for her kind assistance during my course in Thailand and Vietnam and for her comments and suggestions for formatting the full thesis paper.

The helpful suggestions and discussions of Dr. T.R Preston concerning biogas research and earthworm utilization and Dr. Do Van Xe for help in the statistical analysis are also appreciated.

I would like to thank you most sincerely Prof. Dr. Luu Trong Hieu and Dr. Ngo Van Man, Regional Course Coordinators for the arrangements of the course and for assistance rendered by their staff.

I would also like to express my appreciation to all of the professors, doctors and lecturers who provided me with useful knowledge during the course.

I also wish to thank all of my classmates from Vietnam, Thailand, Laos, and Cambodia in the MSc course for their good friendship given to me during this course.

I feel a deep sense of gratitude for my big family, my parents, my husband, my son, and my aunt for their love and endless support.

Last but not least, I would like to express my gratitude to all others whose names do not appear herein.
